The Sandwich Generation

Planning for Multi-Generational Families: What Social Workers, Nurses, Case Managers and other allied health professionals need to know

In this presentation, elder law attorney Kelley Napier, JD of Brannon Napier Elder Law, LLC will educate attendees on common issues that affect the sandwich generation. This presentation covers the basics of estate planning and public benefits like VA Aid & Attendance and Nursing Home Medicaid. Kelley will also discuss issues specific to caregiver children such as caregiver contracts and gifting assets. You will have an opportunity to learn how proper planning can protect not just elderly parents, but also their children who are providing care.

Agenda:

5:15 – 6:00 pm: Registration, Networking, Dinner, & Drinks

6:00 – 7:00 pm: Presentation

By attending our workshop, you will be able to:

1. State two basic functions of **basic estate & incapacity planning documents**, including Advance Directives for Healthcare, Financial Powers of Attorney, and Wills
2. Identify how changes to a person's physical health or mental health **trigger the need for updates** to their planning
3. State the potential value of a **Caregiver Agreement** to enable a non-spouse family member or another person to be paid for care in ways that will not negatively impact Medicaid or VA benefit eligibility
